Special Remark if any: Satisfactory for oral consumption under measured condition.

Note:

1. Sample(s) with any parameter value above acceptable limit will only be used for oral consumption if no other source is available.
2. Parameters above the Permissible Limit of IS 10500:2012 (Second Revision) are written in bold with black shade.
3. This certificate refers only to the particular sample(s) submitted for testing
4. Acidified samples for testing of Iron and Arsenic were not received/received.
5. This certificate shall not be reproduced, except in full, unless written permission for the publication of an approved abstract has been obtained from the Head of Laboratory.
6. The test results reported in this certificate are valid at the time of and under the stated conditions of measurements.
